#### VMI Northstar E - Rental Unit Options:

✓ IN OUR RENTAL FLEET!	✓ Lowered Floor	✓ Manual Ramp - 30 Inch
✓ Manual Wheelchair Restraints	✓ Removable Front Passenger Seat	

#### Description:

IN OUR RENTAL FLEET! The Northstar E is VMI's most affordable wheelchair van and the first VMI vehicle tailored specifically to the needs of wheelchair users with caregivers. It is the only caregiver vehicle to offer front-seat wheelchair access, a manual in-floor ramp that requires no bending or lifting, and seating for up to seven passengers. VMI's patent-pending Northstar E conversion comes with an easy-to-use, manual in-floor ramp that requires little to no maintenance. The ramp is stowed under the floor, creating more interior room, a quieter ride and less dirt and debris in the interior. The Northstar E offers the practicality of an unconverted minivan to meet the needs of caregivers, even when traveling without a wheelchair user. With unobstructed cargo areas and seating for up to seven, the Northstar E provides space and flexibility to accommodate multiple passengers and seating arrangements. Our Northstar E wheelchair-accessible minivans come with additional features for extra durability and ease of use. For example, the VMI Northstar reduces the likelihood of under-vehicle damage by providing up to 1.5 inches of additional ground clearance over other mobility vans.

#### Vehicle Location

Contact Siebert Mobility Inc.  
 Phone: 402-991-2555
